How can I avoid problems with my landlord?

- Keep copies of all documents, such as the rental agreement, park rules, any notices or letters from the landlord, and anything you send the landlord.
- Make written or typed notes of important conversations with the landlord. Note dates, what you talked about, who was there, and what exactly you each said.
- Follow up on important conversations. Send the landlord a letter repeating what you each said and/or any agreements you made. Keep a copy of the letter for your records.
- Send your landlord any documents or notices by both regular **and** certified mail, return receipt requested. Then you will have proof of mailing.

- Never pay rent or other payments in cash, unless you hand it directly to the landlord and **immediately** get a written receipt.
- Ask for and keep receipts of all payments to the landlord.
- Keep all these documents in a safe place.
