## Coronavirus (COVID-19): You can get a free credit report every week until April 2022

### What's new?

You have long had the right to get your free credit report from all 3 credit reporting agencies once a year.

**But now until April 2022**, you can get a free credit report from all 3 credit reporting agencies **weekly**.

### Why would I want to check my credit report that often?

Here are some reasons why:

- To make sure your student loan servicers are reporting on your accounts accurately. - To make sure no one has stolen your identity to get unemployment benefits in your name. Read [Coronavirus \(COVID-19\): Is someone else wrongfully getting your unemployment benefits?](#) Find it at WashingtonLawHelp.org.
- So many changes in the economy and financial conditions right now can lead to more mistakes in credit reporting.
- More scams and identity theft during the pandemic.
